NEW PRODUCT

PRODUCT NAME:
HRT Pro

AKRON PART NUMBER:
HRTP & HRTP-SH

PRODUCT DESCRIPTION

Akron Brass is expanding its line of firefighting tools with the groundbreaking HRT Pro. This advanced personal hand tool bridges the gap between small pocket sized and large heavy tools. This unique tool (approximately 20" long and 5.25" at its widest point) can be used as an axe, hammer, spanner wrench, pry bar, gas shutoff, door stop, glass cutter, and more. The HRT Pro is beyond a doubt the must have tool of the year.

This tool wouldn't be complete without the optional heavy-duty leather sheath and carrying strap.

In Akron Brass tradition the HRT Pro is Made in the USA with the highest-grade materials and workmanship.
