Product Update

5/4/16

PRODUCT NAME: Electric Riser for DeckMaster™ and StreamMaster™

AKRON PART NUMBERS: 3406

PRODUCT DESCRIPTION

The electric riser actuator has been updated and is now IP66 rated with better performance and less noise. The new actuator is backwards compatible with all risers previously shipped and fits within the same envelope as the previous actuator. The electric riser provides an additional 12 inches (305 mm) of extension and is the perfect complement to the already superior versatility of the DeckMaster or StreamMaster monitors.

FEATURES

- 3" waterway
- 12" extension
- With unique three-piece design, the extremely compact device is only 18 1/2" (470 mm) when nested
- Can be utilized within pump modules that have limited space
- Electrically actuated (12 or 24 volt)
- Durable lightweight Pyrolite® construction
- Manual override
- 5 year warranty
- Inlet option: 3" (75 mm) victaulic or NPT (Must specify)
- Outlet options 3" (75 mm) or 4" (100 mm) flange (Must specify)

AVAILABILITY

All units are now shipping with the new actuator
