

The logo is a black and white graphic. It features a central shield shape with a thick black border. Inside the shield, the word "ULTRAJET" is written in a large, bold, italicized sans-serif font. Below "ULTRAJET", the words "3D TOUR" are written in a smaller, bold, sans-serif font. The shield is surrounded by a decorative border made of a black and white checkerboard pattern. The border is composed of several segments that meet at the corners, creating a jagged, pixelated appearance.
