- Quotations and proposals issued by Seller are not binding and may be revoked or modified by Seller at any time and, if not earlier revoked, will expire 60 days after the date of issuance.
- All amounts are in US Dollars.

All orders must contain the following information at a minimum:

- Purchaser Name and Address
- Purchaser Contact Name, Email Address, and Telephone Number
- Purchaser Purchase Order Number
- Seller Part Number
- Item Description
- Item Quantity
- Item Price
- Requested Delivery Date (Date of Receipt at Purchaser's Location)
- All logistics information required for processing and shipment

Export orders must also contain the following information (if known):

- End User Contact Name, Email Address or Fax Number, and Telephone Number

If an order is submitted in response to a specific quotation or proposal issued by Seller: (i) the quotation or proposal must be referenced in the order, and (ii) the order must state that it is submitted pursuant to such quotation or proposal and is under and subject to all of the terms and conditions of such quotation or proposal, including, unless and except to the extent specifically stated otherwise in such quotation or proposal, these General Terms and Conditions of Sale.

Orders for non-catalog items or special order items may have minimum purchase quantity requirements. Purchaser will be advised of any minimum purchase quantity requirements at the time the order is placed.

Orders for items sold in packaged quantities must be for the full packaged quantity.

All orders are subject to acceptance by Seller, and Seller shall have no obligation under any order unless and until the same is accepted by Seller and a confirmation of acceptance has been issued to Purchaser. To be effective, a confirmation of acceptance must be given in writing or by fax, email or other electronic media.

Unless and except to the extent specifically stated otherwise in Seller's confirmation of acceptance of an order or, if an order is submitted in response to a specific quotation or proposal issued by Seller, as specifically stated otherwise in such proposal or quotation, Seller's acceptance of an order shall always be upon and subject to these General Terms and Conditions of Sale, and any different or additional terms and conditions set forth or referenced in Purchaser's order or otherwise are rejected and shall not apply.

Seller shall have the right to refuse to accept any order for any reason. Without in any way limiting Seller's right to refuse to accept an order, Seller will accept orders only from approved Purchasers who are in good standing.

Price sheets and other Seller literature are not offers to sell by Seller.

The minimum order value is US\$50.00. A US\$20.00 Shipping and Handling fee will be assessed on any order less than US\$100.00. Orders under US\$50.00 will not be accepted or processed.

Order Cancellations

A request to delay or change shipment after an item has been scheduled for production or shipment may result in a price increase and/or additional charges, including warehousing and rescheduling charges. If the requested delay or change in shipment exceeds 90 days, the request may be treated as a request for cancellation.

All requests to cancel an order must be submitted to Seller in writing.

Seller normally permits orders for catalog items in standard quantities to be cancelled at any time prior to shipment without penalty. Orders for non-catalog items, custom-configured and other special order items may be canceled only upon payment of a cancellation charge as determined by Seller. The cancellation charge may include production cost, engineering expense, selling expense, a reasonable amount for overhead, and a reasonable amount for profit. If an order includes items to special specifications or sizes or of types not in general production, the cancellation charge will include payment for all special work. The minimum cancellation charge is the greater of 25% of the order value or US\$100.00.

Shipping and Dimensions, Sizes and Weights

Scheduled shipping dates are approximate only and not guaranteed and are subject to timely receipt of all necessary information and documentation from Purchaser.

Unless and except to the extent an order expressly states on its face that no partial shipments are allowed and/or that no early shipments are allowed, Seller shall have the right to make partial shipments and to make shipments prior to the scheduled ship date on the order confirmation.

The delivery term for all orders is FCA (Incoterms 2010) shipping dock at Seller's facility from which the items ordered are supplied (either 343 Venture Blvd., Wooster, OH 44691, USA; 607 NW 27th Ave., Ocala, FL 34475, USA; 3656 Paragon Drive, Columbus, OH 43228, USA; or 1736 Westbelt Drive, Columbus, OH 43228, USA).

Seller shall have the right to designate carrier and routing whenever freight is allowed. Where freight is not allowed, Purchaser's designated carriers will be used where practical; provided, however, that Seller has the right to designate other carriers and routing to the extent Seller deems necessary or appropriate. Where freight is not allowed, the freight charge will be prepaid and added to the invoice.

Prices include standard packaging and packing only. Any special packaging or packing requested by Purchaser shall result in additional charges.

Published dimensions, sizes and weights are approximate only and are not guaranteed.

Certified dimension drawings of an item may be obtained from Seller at US\$50 per set.

Seller shall have the right to refuse to ship items to any person or entity or any destination or for any use that it believes to be unlawful.

Pricing and Payment Terms

All orders shall be Cash-In-Advance, Pre-Pay unless other credit terms are established in writing with Seller.

Unless specifically stated otherwise in a written Special Pricing Notification (SPN) published by Seller:

- All prices are in US Dollars, and all payments are to be made in US Dollars
- All prices are FCA (Incoterms 2010) shipping dock at Seller's facility from which the items ordered are supplied. (either 343 Venture Blvd., Wooster, OH 44691, USA; 607 NW 27th Ave., Ocala, FL 34475, USA; 3656 Paragon Drive, Columbus, OH 43228, USA; or 1736 Westbelt Drive, Columbus, OH 43228, USA).
- All prices shall be based on Purchaser's standard discount and Seller's published price list in effect on the date the order is placed. List prices are subject to change without notice. If an order has a requested shipment date for any item that is more than 90 days after the order is placed, Seller reserves the right to revise pricing for the item.
- For Purchasers with prior credit approval, the standard payment term for the price of items and other amounts payable by Purchaser shall be net 30 days from date of invoice so long as Purchaser's account balance is within its approved credit limit. Seller reserves the right to review and revoke a Purchaser's credit approval and/or modify a Purchaser's credit limit at any time.
- For a Purchaser without prior credit approval or whose account balance exceeds its credit limit, at Seller's discretion, the standard payment term for the price of items and other amounts payable by Purchaser shall be payment in full with submission of order.
- Acceptance of payment by credit card shall be at Seller's discretion. If credit card payment is accepted, Seller may impose a processing fee.

No order shall be accepted that reflects prices or payment in any currency other than US Dollars, pricing that differs from Purchaser's standard discount or Seller's published price list in effect on the date the order is placed, a delivery term that differs from the applicable standard delivery term, or a payment term that differs from the applicable standard payment term, unless accompanied by a copy of a duly signed written quotation or proposal to Purchaser or a Special Pricing Notification (SPN) published by Seller reflecting such different currency, pricing, delivery term or payment term.

Unless specifically stated otherwise in a Special Pricing Notification (SPN), all SPNs may be revoked or modified by Seller at any time and, if not earlier revoked, will expire 60 days after the date of publication.

Invoices may be issued at any time after shipment. Partial shipment may be invoiced as the partial shipments are made.

Interest at the rate of 1.5 % per month may be charged on all overdue amounts.

If Purchaser's account with Seller or any other IDEX Unit should become past due or, in the judgment of Seller, Purchaser's financial condition does not justify continuance of production or shipment on the applicable payment terms, Seller may, at its sole discretion, suspend production or shipment and require full or partial payment in advance of production or shipment.

In the event Seller has completed and prepared items for shipment and shipment is delayed by Purchaser for any reason, Seller may invoice Purchaser as if shipment had been made and the amount invoiced shall be due and payable as if shipment had been made. After invoice, items held by Seller as a result of a delay in shipment by Purchaser shall be held at the risk and expense of Purchaser.

Title and Risks

Seller will cease to have any responsibility for items and title and all risk of loss or damage to items shall pass to Purchaser in accordance with the applicable delivery term.

Purchaser should make a visual inspection of shipping containers and packages for obvious damage before "signing off" on the carrier's receipt. If damage is noted, it should be so indicated on the carrier's receipt before acceptance. Lack of damage to the outside of a shipping container or package does not guarantee undamaged contents. Purchaser should open shipping containers and packages and inspect contents promptly after receipt. If contents are damaged, Purchaser should contact the carrier immediately. If contents do not match the order, Purchaser must notify Seller immediately.

Any shortages or order differences reported to Seller more than 30 days after shipment or 10 days after receipt will not be eligible for return, replacement or adjustment by Seller.

Returns

Seller will not consider requests for credit returns made more than 120 days after the date of shipment. No credit returns shall be accepted by Seller unless accompanied by a Return Materials Authorization (RMA) issued by Seller. Seller shall have no obligation to issue an RMA. In order to be returnable for credit, items must be standard items that are new, unused, the same as items currently being offered for sale by Seller, and in their original packaging with all associated documents, including user manuals. Items which are no longer available, discontinued, obsolete, or special order/production, or otherwise deemed not returnable will not be accepted for return. Seller reserves the sole right to determine the returnability of items for credit.

Items which are received in non-returnable condition for credit will be handled in one of the following ways:

- Destroyed with Purchaser's approval
- Returned to Purchaser at its expense
- Refurbished and returned to Purchaser at its expense with its approval
- Partial credit issued to Purchaser at the sole discretion of Seller

Seller will have no responsibility or liability in connection with items returned for credit without an RMA. Credit returns arriving without a valid RMA may be refused. All items returned must be properly packed and identified in accordance with the RMA.

All costs and expenses associated with credit returns shall be borne by Purchaser. Return costs and expenses may include labor, material, administrative, and any other costs and expenses arising out of the return. A minimum 20% restocking charge may be assessed on all credit returns. Any credit will be subject to and conditioned the receipt of the returned items in new, unused, undamaged and saleable condition.

Seller may accept a credit return and waive the restocking or cancellation fee in the event Seller determines that the return was due to an error that was the fault of Seller.

Returns for repair do not require an RMA, but should be registered using the Akron Brass Company website at <http://onlinerepair.akronbrass.com/>. The website includes Seller's repair terms and conditions and allows a return repair packing list and address label to be printed and progress of the repair to be tracked. If use of the website is not possible, information concerning repairs can be obtained by calling the Seller's Customer Care Team at 1-800-228-1161 or writing to Seller at Akron Brass Company, 343 Venture Blvd., Wooster, OH 44691, USA. Repair returns may be subject to a repair estimate fee that will be waived if the repair is made.

All credit and repair returns are at Purchaser's or its customer's sole risk and expense, and any shipping charges on returned items shall be paid by Purchaser or its customer. No collect shipments will be accepted unless authorized in writing in advance by Seller.

Designs, Materials, Components and Discontinuance

Seller may make changes and modifications to the design of any item at any time without affecting any order or making the same changes and modifications to any previously produced or sold item. Actual items shipped may vary in design, look or content from items shown in catalogs, advertisements or other literature. Seller may substitute materials, components and parts for any item at any time without affecting any order or making the same changes and modifications to any previously produced or sold item. Seller may discontinue the production and sale of any item at any time without incurring any liability or obligation in connection with any order or any previously produced or sold item.

Taxes

Purchaser shall pay all sales, use, value added and other taxes, all duties and tariffs, and all other amounts payable to any governmental authority, whether or not presently in effect, imposed upon or payable with respect to the manufacture, sale, transportation, possession, use or delivery of any item purchased by Purchaser, except that Purchaser shall not be required to pay any tax imposed upon or measured by the income of Seller. In the event Seller should pay any tax, duty or tariff, or other amount that is Purchaser's responsibility, Purchaser shall promptly reimburse Seller for such tax, duty or tariff, or other amount on demand.

Any claim by Purchaser that an order is not subject to tax, duty or tariff, or other amount payable to a governmental authority must be supported by an appropriate exemption certificate or other documentation acceptable to tax and custom authorities. Unless a current copy of an appropriate tax exemption certificate or other acceptable documentation is on file at Seller, all such documentation must be submitted to Seller with the order.

Installation, Operation and Maintenance

Seller's installation, operation, and maintenance instructions assume the existence of normal factors and conditions and do not allow for any special factors or conditions that may exist during actual use. Purchaser shall be responsible for ensuring that only properly trained and qualified personnel install, operate and maintain items products purchased from Seller.

Warranty

Products are warranted in accordance with and subject to terms and conditions of Seller's standard Warranty Statement in effect on the date the applicable order is submitted, which standard Warranty Statement is incorporated herein and made a part hereof by this reference.

Seller's standard Warranty Statement is posted on the Akron Brass Company website at www.akronbrass.com/customer-support-warranty/.
