To: All SmartFOAM Customers

Subject: SmartFOAM system diagram / instruction placards

The new SmartFOAM system has its own placard with instructions that match the SmartFOAM panel. If you have been shipped the old Foamlogix foam placard, but have a SmartFOAM system and would like the new placard, please contact customer service. Request your SmartFOAM system diagram placard by part number and the unit serial number and one will be shipped free of charge.

Old FoamLogix Placard	New SmartFOAM Placard	Description
101-1630-70-0	101-00281-001	SmartFOAM 1.7/2.1 Instruction Placard
101-1631-07-0	101-00281-002	SmartFOAM 3.3-6.5, Instruction Placard with DUAL TANK FS Strainer
101-1631-12-0	101-00281-003	SmartFOAM 3.3-6.5, Instruction Placard with SINGLE TANK FS Strainer
101-1630-58-0	101-00281-004	SmartFOAM 3.3-6.5, Instruction Placard with SINGLE TANK Inline Strainer

**New orders:**

All new orders will have the new SmartFOAM placard if the placard option is selected.

**Replacement orders:**

If you have the SmartFOAM system and need the new placard please contact customer service with the part number you require.

Please Contact Hale Customer Service at 1-800-533-3569 or [haletechnicalservice@idexcorp.com](mailto:haletechnicalservice@idexcorp.com) if you have any questions or need assistance.
