

U. S. Department of Homeland Security
United States Coast Guard
Certificate of Approval

Coast Guard Approval Number: 162.027/9/0

Expires: 03 October 2021

COMBINATION FIRE HOSE NOZZLE

AKRON BRASS CO
P. O. BOX 86
WOOSTER OH 44691

Style 2032, 1-1/2" (38 mm) combination solid stream and water spray fire hose nozzle with Style 2033 high-velocity head.

May include, when required by regulations, either Style 2415 (4'), 60 degree applicator attachment or Style 2015 (10'), 90 degree applicator attachment, with Style 1034 low-velocity head.

Identifying Data: Akron Brass assembly drawing No.1595, Rev.11, dated 2-11.

Due to orifice sizes, no self-cleaning strainer is required for use with nozzle.

This type approval is contingent on compliance with the Special Configuration Control provisions of the Akron Brass Operating Manual.

Valid for products manufactured at:
Akron Brass Company
343 Venture Boulevard
Wooster, Ohio 44691

This certificate supersedes Certificate of Approval No. 162.027/9/0 dated 2 July 2013 and includes clarification of approval of applicator attachment.

*** End ***

THIS IS TO CERTIFY THAT the above named manufacturer has submitted to the undersigned satisfactory evidence that the item specified herein complies with the applicable laws and regulations as outlined on the reverse side of this Certificate, and approval is hereby given. This approval shall be in effect until the expiration date hereon unless sooner canceled or suspended by proper authority.

GIVEN UNDER MY HAND THIS 03rd DAY OF
OCTOBER 2016, AT WASHINGTON D.C.

B. A. BALDWIN
Chief, Lifesaving and Fire Safety Division
BY DIRECTION OF THE COMMANDANT

TERMS: The approval of the item described on the face of the Certificate has been based upon the submittal of satisfactory evidence that the item complies with the applicable provisions of the navigation and shipping laws and the applicable regulations in Title 33 and/or Title 46 of the Code of Federal Regulations. The approval is subject to any conditions noted on this Certificate and in the applicable laws and regulations governing the use of the item on vessels subject to Coast Guard inspection or on other vessels and boats.

Consideration will be given to an extension of this approval provided application is made 3 months prior to the expiration date of this Certificate.

The approval holder is responsible for making sure that the required inspections or tests of materials or devices covered by this approval are carried out during production as prescribed in the applicable regulations.

The approval of the item covered by this certificate is valid only so long as the item is manufactured in conformance with the details of the approved drawings, specifications, or other data referred to. No modification in the approved design, construction, or materials is to be adopted until the modification has been presented for consideration by the Commandant and confirmation received that the proposed alteration is acceptable.

NOTICE: Where a manufacturer of safety-at-sea equipment is offering for sale to the maritime industry, directly or indirectly, equipment represented to be approved, which fails to conform with either the design details or material specifications, or both, as approved by the Coast Guard, immediate action may be taken to invoke the various penalties and sanctions provided by law including prosecution under 46 U.S.C. 3318, which provides:

"A person that knowingly manufactures, sells, offers for sale, or possesses with intent to sell, any equipment subject to this part (*Part B. of Subtitle II of Title 46 U.S.C.*) and the equipment is so defective as to be insufficient to accomplish the purpose for which it is intended, shall be fined not more than \$10,000, imprisoned for not more than 5 years or both."
